

EYE TOWN COUNCIL

STANDING ORDERS

Standing Orders

How to use Standing Orders

Standing Orders are the written rules of a local Council. They are used to confirm a Council's internal organisational, administrative and procurement procedures and procedural matters for meetings. They are not the same as the policies of a Council, but they may refer to them. A local Council must have standing orders for the procurement of contracts.

Meetings of full Council, Committees, the RFO and Proper Officer are subject to many statutory requirements. A Council should have standing orders to confirm those statutory requirements. A Council should have standing orders to control the number, place, quorum, notices and other procedures for Committee and Sub-Committee meetings because these are subject to fewer statutory requirements. If it does not, Committees and Sub-Committees may adopt their own standing orders.

Standing Orders that are in bold type contain statutory requirements. It is recommended that Councils adopt them without changing them. Other model standing orders not in bold are designed to help Councils operate effectively but do not contain statutory requirements, so they may be adopted as drafted or amended to suit a Council's needs. For convenience, the word 'Councillor' is used in standing orders and includes a non-Councillor with or without voting rights unless otherwise stated.

The Standing Orders do not include financial regulations. Financial Regulations are Standing Orders to regulate and control the financial affairs and accounting procedures of a local Council. The Financial Regulations, as opposed to the Standing Orders of a Council, include most of the requirements relevant to the Responsible Financial Officer.

Appendix 1

Procedure for filling a vacancy on the Council

This procedure shall be used to fill all vacancies on the Council. It can however be modified by resolution if there are over-riding circumstances or best practice creates the need to update this section.

- a) If the Council has a vacancy this is first advertised to all through a notice posted on the Town Hall Notice Board, in the library, on the website and elsewhere as deemed appropriate by the Mayor and Town Clerk seeing if any voters wish the vacancy to be filled by means of a parish vote. This process can be requested by a written proposal signed by at least ten eligible voters and delivered to the Town Clerk within 14 days of the date of the notice. If this is received the Town Clerk will work with the District Council to initiate a by-election.
- b) If no such request is received an invitation for eligible candidates to submit up to a 100-word statement of why they would wish to be chosen will be advertised on the web site and around the Town. The statement will be accompanied by a signed notice of their eligibility and willingness to stand and will need to be delivered to the Town Clerk within the timescale stated (normally 21 days).
- c) Any statements received will be copied to all Councillors to be received at least five working days before the meeting at which the co-option will be decided.
- d) At the appropriate agenda item at the Council meeting when the co-option will be decided, each candidate will be asked to speak for up to two minutes in support of their application. The Council will then hold a paper ballot with each existing Councillor voting.
- e) Where multiple vacancies occur, Councillors can vote up to the total number of vacancies being decided. Successful candidates will need a clear majority. Where this is not achieved, the person with the lowest number of votes will be struck from the list and the process repeated until a clear majority is achieved.
- f) The successful candidate(s) will be asked to join the Council at that meeting as an observer, becoming a full member of the Council upon receipt of the official acceptance declaration.
