

## Events Committee Meeting – Monday 13<sup>th</sup> April @7.30pm

---

Apologies: S Hooton, Penny McSheey, Bruce Salter, Harley Moleworth  
Present: M Ford, A Evitt, M Robins, B Fraser

The meeting scheduled for Monday 13<sup>th</sup> April was not quorate and thus could not be conducted as a meeting of the Events Committee. In this event the agenda was not addressed and a date was set for the next meeting which will be Monday 27<sup>th</sup> April, 8pm in the Council Chamber.

The agenda for the next meeting is likely to be quite long as we need to plan the events and activities scheduled for the up coming months and into the Autumn (bearing in mind we have a summer recess).
