

EYE TOWN COUNCIL

MINUTES OF EYE TOWN COUNCIL held using video conferencing, on Wednesday 17th March 2021 @ 7:30 pm

Present: Cllrs Walker (Chair), Berry, Brandon, Byles, Evitt, Gould, Henderson, Hudson, Mann, O'Mard, Potter, Smith, Talbot and Town Clerk, Wendy Alcock. 3 members of the public present. Cllr McGregor.

1.0 Opening of the meeting

2.0 Apologies and Approval of Absences – Cllr Gibbs, Cllr Turner

3.0 Members Declarations of Interests and Consideration of Requests for Dispensations

Cllr Smith has a pecuniary interest in 12.2 Accounts payable.

3.0 Public Participation - Meeting to be opened.

3.1 County Councillor Report – Cllr. Guy McGregor – Full report in Appendix A

Community Fund available for community benefit for those people affected by the these developing services. Parishes need to make their claim against this fund.

Cllr McGregor is clear that a Committee should be set up to lobby Drax for payments from the Community Fund.

3.2 District Councillor Report – Cllr Peter Gould – Full report in Appendix B.

Report given on the HGV Working Group with Suffolk County Council which last meet on the 11th March. A program of work established. Cllr Gould wished to thank Cllr Brandon, Cllr Berry and Gary Rowland for their work on this project.

Progress Power/Drax – Involves the construction of gas fired power station on the western side of the airfield. A consent order has been issued by the Secretary of State which expires later this year and works should commence before this order expires. In order to start work they must be awarded a government energy contract. They are currently one of three potential power stations likely to be accepted for an energy contract. Principal of a Community Fund has been agreed with Progress Power. Andy Robinson, the Project Coordinator is working on this project to summarize what the impact is on Eye and surrounding parishes. Cllr Gould is also working with the principal planning officer at MSDC to track progress with this issue.

Recognises the contribution by Cllr McGregor for his work setting up the community fund.

2547

Signed: Mayor

Eye Town Clerk

Dated 21st April 2021

Comment from Cllr Mc Gregor shown above.

Cllr Byles – discussion re Wind Turbines and the Community Fund. Confirmed that the Planning Committee forced through the Community Fund. The criteria are very restrictive for successful applications.

Cllr Berry –At the last meeting held with Drax Corporate Social Responsibility was raised. It would be worth reminding them of the general commitments they made against these in order to maximise the benefit which will go into the communities based on proposals that they made.

Persimmon application more is spoken about this later in the meeting. Pointed out an article in The Times on Dean Finch CEO of Persimmon. Determined to reverse Persimmon reputation for poor design, construction and sustainability. PG has written to CEO to challenge Mr Finch to put this into action for the Eye development.

Eye Neighbourhood Plan – The referendum will take place on the 6th May. This process is driven by the electoral service by the District Council. The referendum can be brought to the attention of the public, but the Council is not legally permitted to promote the plan further. Private promotions from residents can be made. It is important that the ENP is ratified by the referendum.

Update on the Cross Street building – costs proposals have been set against the current plan for consideration by MSDC cabinet. Support has been shown by colleagues in the cabinet. Terms of occupancy need to be agreed for the Town Council.

3.3 Members of the Public – to receive questions and matters of concern from those present.

3.3.1 Kimberly Roberts from Citizens Advice Bureau Mid Suffolk. Wishes to engage with stakeholders on what types of services residents might need and how best for them to access them.

Cllr Henderson – Face to Face service would be great to reintroduce when the CAB can. Telephone or video contract would also be helpful.

Cllr McGregor said that Eye Library had rooms available for drop-in session.

Cllr Potter asked if CAB had published their requirements in the local magazines. These can be passed on by the Clerk if necessary.

Cllr Berry firstly would like to thank Richard Owen for his presentation to the Planning Meeting on Monday evening. The points raised will be covered in the report on agenda item 6.2 and his comments were properly considered.

Mr Owen explained that the farm site had been in existence for 60 years and hasn't increased in size in that time. No complaints had been received in relation to operations during these 60 years. The application is made for a breeder site. RO advised the committee that HGV traffic will be 1/3

2548

Signed: Mayor

Eye Town Clerk

Dated 21st April 2021

of that generated under application (DC/20/02052) and less than current activity. The site is functional for 48 weeks per year only producing eggs. These will be transported 1-2 times a week only by a vehicle up to 18 tonnes. The eggs go to a Kenninghall hatchery.

Cllr Byles – Asked what the current vehicle movements are and those from the proposed application and what type of vehicles will be used.

RO – HGV reductions would be from 500 to 366 per year. There would be more smaller vehicles movements e.g., cars for additional employees at the new site.

Cllr Brandon – thanked RO for the planning statement he provided which was much appreciated and would be considered.

RO stated that the numbers cited in the Planning Statement were return journeys.

Meeting to be closed for public participation. Formal Council statutory business as follows: -

4.0 The minutes of the **Town Council** meeting held on the 17th February 2021 were confirmed.

Proposed by Cllr Evitt, Seconded Cllr Gould – All in favour

5.0 The received and confirm the minutes of the **Town Hall Committee** held on 26th February 2021.

Cllr Byles – asked about the training for DPS for the Town Hall. The Clerk confirmed that this would be booked after April to allow for budget in the new financial year.

6.0 To receive and comment on planning applications and appeals as follows (and consideration of late applications)

6.1	DC/21/00934	Co-Op Store Church St, Eye	Erection of prefabricated outbuilding
Cllr Walker with Gary Rowland will be asking if the space freed up could be used for additional temporary parking and also if the storage unit currently used could be given to the Council for storage space at the cemetery.			
Proposed no comment on this application.			
Proposed by Cllr Berry, Seconded by Cllr Evitt . All in favour.			
6.2	DC/21/00997	Castle Hill Farm, Castle Hill, Eye	Erection of 4 Poultry breeder sheds with capacity for up to 36,500 birds and ancillary development (re-submission of DC/20/02052).
Cllr Berry introduced this item stating that applications of this type are very important to ETC's contribution to HGV traffic management, seen by many as the most important current issue for the town, but recognizing that this application is also important for the applicant's business.			

Eggs are likely to travel to Kenninghall. What is clear, although not expressly stated, is that any HGV traffic generated will travel via Eye centre as there is simply no other viable route with Thorndon, who have objected, having a 7.5-ton weight restriction limit.

ETC's concern with this application centres on having an understanding on how much HGV traffic would be generated and have an impact on residents in the centre of Eye. Having read the then available documentation Councilor's views at the planning meeting were that the council should recommend a 'qualified' objection to this application as they could not be sure that all traffic generation matters were addressed in an understandable format. It was on a reading of the application documentation that councilors formed their opinion and by a majority of 7-1 voted to oppose the application but the committee's proposal in the minutes felt that further scrutiny of the figures should be undertaken at MSDC level.

This is because the committee listened carefully to and questioned the applicant who spoke in the public section of the meeting. Mr Owen argued that HGV traffic levels would be a quarter of those generated by the application for broiler units. Mr Owen also said that HGV traffic would in fact reduce from current operations as the egg production plant was rolled out.

Cllr Berry stated that this interpretation (of reduced HGV traffic) is not exactly verifiable from the documents the planning committee reviewed.

Concern remains that the HGV calculation does not fully include handling of poultry waste which would obviously increase numbers, noting that Mr Owen stated that the majority of waste would remain on site.

Given the short time elapsing between the posting of additional information and this meeting Cllr Berry felt that a fully informed consultee recommendation could not be made.

Thus, the proposal before council is for what Cllr Berry described as a qualified objection. This is not something that the council would normally do as a consultee passing a question for analysis to MSDC. On this occasion the committee felt this was the best way to act and paragraph 5 of the proposal in the minutes effectively says that if after detailed examination between MSDC/SCC it is possible to confirm that numbers of HGV journeys will be 25% (or close to this figure) of the broiler option and will decrease overall from existing levels, as well as addressing concerns over the method of counting and additional journeys to pick up litter are considered the council could reconsider its objection.

Cllr Berry invited questions or comments.

Cllr Gould – reported that he would be abstaining from this vote as he is a member of the Development Control Committee who would be making a decision on this application at MSDC.

Cllr Byles concludes from the planning statement that 106 HGV every 7 weeks will be moving through Eye. Which seems more than the 366 per year as stated by Mr Owen.

2550

Signed: Mayor

Eye Town Clerk

Dated 21st April 2021

RO was given permission to talk in the closed session. 106 HGV was stated for the previous application broiler unit which had been refused.

Cllr Berry thanked Mr Owen for offering his views to the meeting.

Proposal that Full Council submits a qualified objection to this application. The reasons for objection are stated in Appendix C.

Proposed by Cllr Berry, Seconded by Cllr Mann. 9 in favour 2 abstentions. Resolution passed.

6.3	DC/21/01301	Conifer Cottage, 84 Brome Ave, Eye	Erection of 2 storage sheds
------------	-------------	---------------------------------------	-----------------------------

Proposed no comment on this application.

Proposed by Cllr Berry seconded Cllr Brandon. All in favour

6.4	DC/21/00804	Oak Tree House, Castleton Way, Eye	Tree works protected by a preservation order
------------	-------------	---------------------------------------	--

Added in error. Not considered.

7.0 To receive and note Mid Suffolk DC planning decisions or appeals received since the last meeting.

7.1	DC/20/05903	17 Magdalen St, Eye	Planning application withdrawn.
7.2	DC/21/00367	50 Church St, Eye	Planning permission granted.
7.3	DC/21/00603	6 Castleton Way, Eye	Planning permission granted.
7.4	DC/21/00804	Oak Tree House, Castleton Way, Eye	Consent has been granted.

Determinations noted by the Council.

8.0 Other Planning Matters

8.1 Thorndon NP modification to Local Green Space policy THN 11.

No comment on this modification.

8.2 Update on DC/21/00609 Land South of Eye Airfield and North of Castleton Way. Delegated powers given to Planning Committee extension granted until 25.03.2021 for responses.

Cllr Walker, Berry and District Councillor Gould had a meeting with Persimmon on 24th February arranged which was chaired by MSDC. The application is not in line with the outline permission in ETC's view. Awaiting an additional meeting with Persimmon to address concerns raised. Comments on this application will be made by the 25th March with or without this meeting under the delegation to the planning committee from the February meeting. A draft will be circulated to Councillors prior to submission on the planning portal.

2551

Signed: Mayor

Eye Town Clerk

Dated 21st April 2021

Cllr Evitt and Cllr Gould disappointed that the original work on the outline planning permission had all gone to waste given the application which had now been submitted.

Cllr Henderson stated that the scheme delivered by Persimmon recently in Diss had been of poor design quality. The council should press for better here.

8.3 Paddock House Garden update.

Cllr Berry congratulated the group on the excellent design produced which will be a visual asset to the streetscape in Church Street.

Council informed that the plan will be submitted to MSDC planning as a provision for community space.

Cllr Gould – thanks should be given to Cllr Henderson, the community group and Cllr Smith for his horticultural support. ETC needs to discharge its management responsibility for the garden once installed.

Cllr Potter - The pictures drawn by the school are still available for use if needed.

9.0 To receive and confirm the minutes and recommendations of the Environment Committee meeting held on 2nd March 2021.

9.1 Propose formation of a subcommittee within the Environment Committee of users of the skate park. This committee will manage the skate park, control appropriate use, keep clear of litter etc. Terms of reference to follow subject to approval.

Proposed by Cllr Smith seconded Cllr Potter All in favour

9.2 Propose that Full Council accepts the review of the Risk Assessment listed below :-

- 9.2.1** Allotments
- 9.2.2** Cemetery
- 9.2.3** Churchyard
- 9.2.4** Market
- 9.2.5** Street Management

Proposed by Cllr Smith seconded Cllr Brandon. All in favour

Reported that Cllr Smith was in contact with SCC regarding the healing wood for Town Moors. Walkers are welcome will be discussing at its next meeting.

10.0 To receive and confirm the minutes and recommendations of the Finance & Governance Committee meeting held on 4th March 2021.

2552

Signed: Mayor

Eye Town Clerk

Dated 21st April 2021

10.1 Proposed that Full Council approves the budget virements against 2020/21 accounts as presented.

Proposed by Cllr Evitt seconded Cllr Gould. All in favour

10.2 Proposed that Full Council approves the revised budget as presented for 2021/22 and makes provision to cover the shortfall from reserves for £9329.00 to meet the non-domestic rates demand and arrears for the Town Hall and the Cemetery.

Proposed by Cllr Evitt seconded Cllr Talbot. All in favour

10.3 Propose that Full Council accepts the review of the documents as presented and stated below:

10.3.1 Internal Control Statement for 2021-22

10.3.2 Risk Management Policy

10.3.3 Business Plan 2021-22

Proposed by Cllr Evitt seconded Cllr Gould. All in favour

Cllr Evitt reported that the change to regulations which allow remote meetings to expire ceases on the 6th May and that Council's must return to face to face meetings from the 7th May. Representations are being made to government to extend this requirement, particularly as restrictions will not lift completely until the 21st June.

This has necessitated the need for the following proposals: -

10.4 Propose that Full Council agrees to the Annual Town Meeting being held remotely on the 27th April as this cannot be achieved safely face-to-face until after the 21st June.

Proposed by Cllr Evitt seconded Cllr Mann, All in favour.

10.5 Propose that the Annual Meeting of the Town Council is brought forward to the 5th May to allow it to be held remotely if no extension to remote meetings is given.

Proposed by Cllr Hudson seconded Cllr Smith. All in favour.

10.6 Propose that the June Full Council meeting be moved back to the 23rd June to allow it to be held face to face after the social distancing restrictions are lifted, unless extension to remote meetings is given.

Proposed by Cllr Talbot seconded Cllr Evitt. All in favour.

10.7 Carbon Reduction Plan for Eye.

2553

Signed: Mayor

Eye Town Clerk

Dated 21st April 2021

Presentation from Cllr Henderson on the draft plan she has produced. Mid Suffolk District Council have a Carbon Reduction Plan and the proposed plan for Eye dovetails into this and other partner projects.

To be considered by each committee to see what additional strategies can be put in place to the develop the plan.

Proposed that this could sit in the ENP. Could also be an inclusion in the Business Plan. Climate and Carbon reduction should be at the heart of everything the Council does.

Cllr Gould – thanked Cllr Henderson for drawing together the draft list of projects. Cllr Gould has opened discussions with County and the sustainable transport officer, and a cycling scheme has been included in their program on the basis of this draft plan.

Cllr Henderson has looked at funding opportunities for these carbon initiatives.

11.0 The **Events** Committee has not held a meeting since the last Council. Verbal update from chair.

11.1 Reschedule of the Mayor Making to the 4th July.

12.0 To receive and confirm the following Financial Matters:

12.1 To receive and note the bank balances as of 28th February 2021 (Appendix D).

12.2 To receive and approve invoices presented for payment on the 18th March (Appendix E).

12.3 To approve payment of Staff Salaries for February by bank transfer payable on the 18th March.

Proposed PG TB

13.0 To note the attached items of correspondence.

CORRESPONDENCE TO THE COUNCIL – TO BE NOTED AND CONSIDERED	
<i>Details of Correspondence</i>	<i>Actions Taken/Required</i>
Letter of thanks to the Council from a long-term resident who has now moved away from Eye.	Passed to Councillors for information.

13.0 Date of next meeting Wednesday 21st April 2021.

Meeting closes.

2554

Signed: Mayor

Eye Town Clerk

Dated 21st April 2021

Appendix A

Eye Town Council Meeting 17 March 2021.

Suffolk County Council has now confirmed that its Share of the general Council Tax for 2021/22 will rise by 1.99% and the element for Adult Social Care by 2%. It is to be noted that the 2% increase will not be enough to cover the increase in Adult Social Care Budget.

The squeeze on the provision of “non-vital” services like Highways, Planning & Libraries continues. The additional problem is the reduction in income from Council Tax (estimated as £7.9 million). This means that the burden to pay for reducing “universal” services is falling upon reducing number of taxpayers. SCC continues to pay a lead role in the fight against Covid 19 through the office of the Director of Public Health. In addition, as SCC continues to adapt to new ways of working the experience of the past year will change and improve the delivery of services.

As we know a new Covid 19 Testing Facility has now opened in the Town Hall. The lack of Vaccination Centres in the Waveney Valley area is still a matter of concern, but I anticipate that this deficiency will be resolved once supplies of vaccination get better.

At long last, we have had the Zoom Meeting between County Councillor Andrew Reid and Eye Town Council on the issue of the impact of HGV traffic on the Town. Some progress has been made and another meeting is due next month.

Good progress is being made on the new roundabouts on the A140. For the avoidance of doubt these are local authority schemes. SCC is responsible for design and financing and promoting the schemes. It also carries the risks. As is usual there is financial support from Daft. Its source is the Road Fund Duty Fund.

Guy McGregor
County Councillor, Hoxne & Eye Division

An update on Covid-19 in Suffolk

Regular bulletins are being produced to give a snapshot of the current Covid-19 situation in Suffolk - along with updates on the work being carried out as part of Suffolk's Local Outbreak Control Plan. You can find the bulletins through existing fortnightly updates for Councillors, or [via the Suffolk County Council website](#). An update on the vaccine rollout can be found on the [SNEE NHS COVID-19 Vaccination Service website](#).

Community testing

1 in 3 people who have Covid-19 do not have symptoms and may be unwittingly spreading the virus to other people without knowing. To tackle this, Suffolk has introduced community testing (also known as lateral flow testing or rapid testing) for those who are unable to work from home. A number of community testing centres have recently opened across Mid Suffolk, including sites in Stowmarket, Elmswell and Needham Market. To find out more, or to make an appointment go to [the Suffolk County Council website](#).

Councils pledge to provide further financial support for struggling households

Thousands of households across Mid Suffolk will be eligible for a reduction in their council tax bill after councillors approved further support for residents facing financial difficulties due to Covid-19. [Read the full story](#)

Covid support grants for businesses

There are several business supports grants available which cover different local and national lockdown periods. For businesses mandated to close (including those in retail, leisure and hospitality) that have applied and received a lockdown grant since November 2020, our plan is to automatically pay additional grants following pre-payment checks.

However, for businesses that may be eligible but have not heard from us, or are yet to apply for any grants, we are encouraging them to find out more and to submit an application form as soon as possible. Further information about all the covid business support grants can be found on [our grant funding schemes webpage](#)

Green light for community car park

Collaboration between councils, the NHS and a local housing developer is paving the way for a new community car park – providing parking for medical staff and patients attending Covid vaccination appointments. [Read the full story](#)

Budget to 'supercharge' district's recovery

Councillors have agreed Mid Suffolk District Council's budget for 2021/22 – keeping council tax low while 'supercharging' the district's post-Covid recovery. [Read the full story](#)

CIFCO portfolio nears completion

Signed: Mayor

Eye Town Clerk

Dated 21st April 2021

Property investment company CIFCO Capital Ltd is set to increase the £1.5m it has already ploughed back into council services so far this year – with the recent purchase of a Coventry trade park. [Read the full story](#)

Councils confirm support for Freeport East

Babergh and Mid Suffolk District Councils have confirmed their support for Freeport East. The bid, which includes Gateway 14 in Stowmarket, has been formally submitted to Government by Hutchinson Ports. [Read the full story](#)

An extra £3m for warmer, greener Suffolk homes

More Suffolk residents, including those in Mid Suffolk, are set to benefit from Government Green Homes Grants thanks to a further successful bid for £3m funding by a Suffolk consortium of local authorities. [Read the full story](#)

Everyone will benefit from Census 2021

Households across Mid Suffolk will be asked to take part in Census 2021 this spring. The census, run by the Office for National Statistics, is a once-in-a-decade survey that gives us the most accurate estimate of all the people and households in England and Wales. It has been carried out every ten years since 1801, with the exception of 1941. [Read the full story](#)

Councillors vote to refuse Needham Market development

Mid Suffolk District Council recently refused outline planning permission for 279 homes to be built in Needham Market, citing concerns over the development's location, accessibility and impact on landscape. [Read the full story](#)

Councils help combat holiday hunger

Babergh and Mid Suffolk District Councils have continued to fund a joint initiative offering food and activities for families in need during the school holidays. [Read the full story](#)

Plug in Suffolk

Plug in Suffolk is now providing grants for the installation of Electric Vehicle charging points at non-profit locations such as community centres, parish council car parks and village halls. Visit [Green Suffolk's website](#) or contact Suffolk County Council's environment strategy officer [Peter Frost](#) to find out more about the funding.

The Postbox Project

Many of our residents will have experienced feelings of isolation and loneliness since the Covid pandemic began. To combat this we've partnered with The Forge Church and Suffolk County Council to launch [The Postbox Project](#). Our aim is to connect people across Suffolk, using letter writing to build new friendships. We are currently recruiting volunteers to write letters, so if you can spare a little time, [please let us know](#). Alternatively if you're aware of someone who is experiencing loneliness and would benefit from a letter, you can [refer them directly to the project](#).

Postponement of the Women's Tour

2557

Signed: Mayor

Eye Town Clerk

Dated 21st April 2021

The Women's Tour, the international cycle race originally scheduled to finish in Suffolk on 12 June 2021, has been postponed due to COVID-19. Organisers, Sweetspot Group, have requested alternate race dates of Monday 4 to Saturday 9 October from the sport's governing body. Once new dates are confirmed, we will begin our community activity and work with local schools and businesses to promote the tour coming to our district.

Appendix C

Application DC/21/00997

Eye Town Council submits a qualified objection to this application.

For the reasons for this are:

1. ETC objected to application DC/20/02052, applicable to this site, primarily on the grounds of the additional generation of HGV traffic. This position was reinforced by the presentation made to MSDC councilors on 6th January 2021. Therefore, ETC requests points made to be considered as applicable to application DC/21/00997 and this objection but subject to section 5 below.
2. Whilst the direction that all HGVs will take is not expressly stated the obvious route is through the centre of Eye, given the weight restriction in Thorndon. This route affects over 100 homes constructed as close as 1.1 metres from the road with and has a severe detrimental impact on the safety and quality of life for residents. Any prospective out of hours transportation will disrupt sleep when large HGVs pass level to upstairs windows.
3. There is no specific plan for the handling of poultry waste included in the documentation and the planning committee felt that this will generate further HGV movements which may not be addressed in the application.
4. The incidence of HGV traffic passing through Eye is currently being addressed via a working group with the County Council. With weight restrictions already in place in Thorndon and no currently proposed changes to the road infrastructure, it would be illogical to do anything other than oppose planning applications which are felt likely add to HGV traffic movements through Eye and increase the chances of conflict at pinch-points. This would remain so unless the applicant can demonstrate that HGV vehicle movements will in fact reduce from current levels should approval be given to an application.
5. At its planning meeting on the 15th March and again at the Full Council meeting on the 17th March, Councillors noted from the oral presentation made by the applicant, Mr Owen, that it was submitted that the amount of HGV traffic generated from this application will be in the order of one quarter of what would have been the case under application DC/20/02052. It was also submitted that HGV movements would be no greater than they are from the current operation of the business and that they would probably decrease. This was not a conclusion that committee

2558

Signed: Mayor

Eye Town Clerk

Dated 21st April 2021

members were able to come to with certainty, based on their reading of the documents presented, and the decision to oppose the application was taken on this basis.

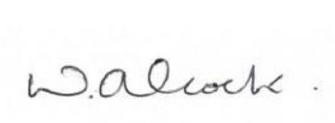

Councilors did agree that if substantive evidence could be offered to MSDC in the course of the application's evaluation that these two points could be validated then ETC could be prepared to reconsider this objection. ETC therefore wishes to refer this exercise to MSDC as the decision maker for this application.
