1. General Conditions of Hire

These conditions apply to all hiring of the Eye Town Hall. Hirers must sign the Town Council's Hire Agreement: in signing the agreement, the hirer agrees to all the conditions set out in this document. The Town Clerk will be responsible for overseeing all bookings and ensuring that all conditions of the booking are met.

The Council reserves the right to refuse an application to hire Council premises.

The Council's policy on charging fees and hiring of the Town Hall is the responsibility of the Town Hall Committee (The Committee). The policy will be reviewed annually.

Premises Hire

The Hirer must be 25 years of age or over.

- **Supervision**

The Hirer accepts responsibility for being in charge of, and present at all times, during the period of hire and during additional agreed periods, and for ensuring that all conditions are met.

The Hirer shall, during the period of hire, be responsible for people using the Town Hall, the building and its contents.

The Hirer shall make good or pay for all damage (including accidental damage) to the premises or to the fixtures, fittings or contents and for loss of contents.

- **Alterations to premises**

No alterations or additions may be made to the premises nor may any fixtures be installed, or placards, decorations or other articles be attached in any way to any part of the premises without the prior written approval of the Town Clerk and, in certain circumstances, the Insurers. Placards, decorations and articles will become the property of the Town Hall unless removed by the Hirer who must make good to the satisfaction of the Council any damage caused to the premises by such removal.

The Hirer shall be responsible for any cost associated with a breach of this clause.

- **Hirer's Equipment**

The Council accepts no responsibility for any stored equipment or other property brought onto or left at the premises and all liability for loss or damage is hereby excluded. All equipment and other property must be removed at the end of each hiring or fees will be charged. The Council reserves the right to sell or dispose of any property left on the premises and to charge the hirer for any costs incurred.

Permission to Store Equipment and charges

Charges may be made for the storage of equipment. The Town Clerk will advise on level of charges and period of storage. Failure by the Hirer to pay any charges in respect of stored equipment due and payable, or failure to remove the same within 7 days after the agreed storage period has ended, shall give the Council the right to dispose of such items and any costs incurred will be charged to the Hirer.

NB: If there is to be a period of storage of hirer's goods/items then a full disclosure is required (in writing) of the description of the goods and insurable value.

- **End of hire**

The Hirer shall be responsible for leaving the premises and surrounding area in a clean and tidy condition, properly locked and secured unless directed otherwise and any contents including tables and chairs temporarily removed from their usual positions properly replaced. All rubbish and recycling must be removed from the premises and disposed of by the Hirer. The Council will make an additional charge in the event of a breach of this condition.

- **No rights**

The Hiring Agreement constitutes permission only to use the premises and confers no tenancy or other right of occupation on the Hirer.

- **Town Council Rights**

The Town Clerk (or any nominated Council Representative) has the right to enter the premises at any time during the hire.

- **Breaches of Agreement**

In the event of any serious breach of the Hire Agreement the Council reserves the right to terminate the Hire Agreement with immediate effect. (Serious breaches would be any actions, activities or conduct which place the Council, its representatives or its employees at risk of prosecution).

No refund of any hire charges will be made to the Hirer in such circumstances.

The Hirer shall not:

It is important that an escape corridor is maintained between tables/chairs at all times and exits must be kept clear and available for use at all times. Gangways must be set at a minimum distance of 750 mm.

Rows of Seating

A guideline number of rows for seating would be a maximum of 14 chairs with gangways at either end, up to a maximum number of 190.

However, hirers should consult the Town Clerk on their proposed seating plans prior to the function taking place to ensure compliance with fire safety regulations. Also advise the Town Clerk of any particular needs that any user may have to enable a safe evacuation from the building in the event of fire. This particularly relates to people with disabilities and wheelchair users. See Appendices I, II and the evacuation procedure for wheelchair users and people with disabilities.

No illegal drugs may be brought onto the premises.

- **Flyer posting**

The Hirer shall not carry out or permit flyer posting or any other form of unauthorised advertisements for any event taking place at the premises, and shall indemnify and keep indemnified the Town Council accordingly against all actions, claims and proceedings arising from any breach of this condition of hire. The Council is not liable for the sale of goods and accepts no responsibility for any products or services sold or supplied by any hirer of the premises whatsoever.

5. Insurance and indemnity

Individuals hiring the Town Council hall and/or chamber for private parties, wedding receptions, music events, etc are covered for injury and damage caused by the premises under the Council's own insurance cover.

EYE TOWN COUNCIL

PROCEDURE FOR THE EVACUATION OF PEOPLE WITH DISABILITIES AND/OR IN WHEELCHAIRS

In an evacuation, ask, don't assume, when determining what assistance, a person might need. The individual disabled person best understands the nature of his or her disability/impairment. He/she may well be able to descend (or ascend) a stairway in order to evacuate the building.

- Where assistance is necessary, you should explain calmly what needs to be done and the person should be reassured regularly during the process of evacuation.
- Users of the Town Hall with a visual impairment may be guided on level surfaces by offering an arm. On stairways the guide should descend first and the person following can then place their hand on the guide's shoulder.
- If a user is a guide dog user, they should be asked if they can be assisted and how best to safely effect their evacuation.
- There is only one exit in the main hall which opens out onto level ground. If possible use this exit. However, the safest and nearest fire exit should be used.
- In the event that the exit onto level ground is not safe to use, and you have to use the exit at the front of the building, the wheelchair and user will need to be carried down the steps. This should be done with the assistance of enough people to ensure safe transit from the building. This should ideally be between 2 and 4 people depending on the size and weight of the chair. Negotiate the steps in unison and slowly. A single person should not attempt to remove a wheelchair user on their own. Move them to a safe (or relatively safe) place and wait for assistance if it is at all possible.
- **If it is safe to do so** guide dogs and other 'equipment'/aids' must be evacuated as well as the disabled person.

Above all else, act calmly, safely and as swiftly as is comfortable for everyone involved.
